TREEVIEW SELECTION 2005 CHARDONNAY

WINE FACTS

Grape Variety	Chardonnay 100%
Primary Region	Langhorne Creek, South Australia
Alcohol	13.0%
Cellaring Potential	Now until 2009

TASTING NOTES

Colour	Golden yellow.
Nose / Bouquet	Tropical tones abound.
Taste / Palate	A sensual feast of melon, peach and citrus tones greet the palate like a long, lost friend. From this frenetic welcome, all the characteristic elements of South Australian Chardonnay arrive – freshness, buttery mouthfeel and creamy texture. This is an oak-free zone, allowing full enjoyment of this delicately complex Chardonnay.
Food Pairing	When dining Asian, this is the first wine we reach for because it pairs so well with stir fries and seafood. Its tropical influence also works well with the coconut base of green curries. Its fruity edge teams well with fruit cheeses.

Please note: our winemaking team does alter the final blend of our varieties from vintage to vintage, so that they can achieve consistent flavours and characters each year. This takes place because, thankfully, wine is still an agricultural product and it still reflects seasonal variations due to climate, rainfall and other natural factors. Enjoy!
