TREEVIEW SELECTION 2004 CABERNET MERLOT

WINE FACTS

Grape Variety	Cabernet Sauvignon 75%, Merlot 25%
Primary Region	Coonawarra (Cab Sav), McLaren Vale (Merlot) — South Australia
Alcohol	14.0%
Cellaring Potential	Now until 2011

TASTING NOTES

Colour	Dark red with deep purple tones.
Nose / Bouquet	Black cherry notes form from within a swirl of berry aromas.
Taste / Palate	Our dry, dusty Cabernet Sauvignon re-appears and sets the scene for a big, serious wine experience, with its hard-earned raspberry flavours and hint of mint and smoke. Then comes the soft, well-rounded Merlot, rising like a spring, bringing gentle, moist earthy relief.
Food Pairing	It is hard to make a mistake when pairing this wine. The balance of fruit and its soft nature lend it to pairing with the whole gamut of modern cuisine, although most noteworthy dishes include roast pork, duck and Asian banquets. Try with soft cheeses like camembert and brie.

Please note: our winemaking team does alter the final blend of our varieties from vintage to vintage, so that they can achieve consistent flavours and characters each year. This takes place because, thankfully, wine is still an agricultural product and it still reflects seasonal variations due to climate, rainfall and other natural factors. Enjoy!
