TREEVIEW SELECTION 2004 CABERNET SAUVIGNON

WINE FACTS

Grape Variety	Cabernet Sauvignon 100%
Primary Region	Coonawarra
Alcohol	14.0%
Cellaring Potential	Now until 2011

TASTING NOTES

Colour	Dark red.
Nose / Bouquet	Lifted raspberry notes and a touch of leafiness.
Taste / Palate	This is a big, open, dusty Cabernet at first, tempered by judicious use of oak. After the robust, Aussie opening, your palate is rewarded by a gentler infusion of raspberry-inspired fruit. This is a full bodied wine, more savoury than sweet. Full of flavour and satisfying length.
Food Pairing	Given this wine is more herbaceous than spicy or fruity, we strongly suggest you pair it with savoury dishes such as rosemary roast lamb, basil- and oregano-led pasta and smoked cheeses. Game meats with gentle sauces will also combine well with this wine.

Please note: our winemaking team does alter the final blend of our varieties from vintage to vintage, so that they can achieve consistent flavours and characters each year. This takes place because, thankfully, wine is still an agricultural product and it still reflects seasonal variations due to climate, rainfall and other natural factors. Enjoy!
